## reception counters

### Technical information

The HORIZON reception counter system has a modern design that incorporates modular functionality. The modular system enables you to build a reception that is tailored to your individual requirements whilst still being of an outstandingly attractive appearance. Use of the highest quality materials, along with the flexibility of combining different elements and the illumination of the counter front will show HORIZON as a prestigious addition to your reception area.

COUNTERS			
<b>TOP</b>			
	<b>Option 1</b>	<b>Option 2</b>	<b>Option 3</b>
<b>TOP FRONT</b>	MFC 25mm thick	Varnished MDF 25mm thick, milled in horizontal lines	Glass 10mm thick, sand-blasted in horizontal lines (Counters H5 – H8)
<b>TOP CARCASS</b>	<b>Option 1</b> MFC 25mm thick		<b>Option 2</b> Varnished MDF 25mm thick
<b>COUNTER</b>			
	<b>Option 1</b>	<b>Option 2</b>	<b>Option 3</b>
<b>COUNTER FRONT AND SIDES</b>	HPL and MFC	Varnished MDF	Natural Veneer
<b>DESKTOP</b>	<b>Option 1</b> One part desktop in MFC		<b>Option 2</b> Two part desktop: - Front section made from MDF or MFC; - Rear section made from MFC
	50mm thick, bottom section available in Grey 1201		
<b>COUNTER CARCASS</b>	MFC 25mm thick, available in Quartz 2400		
<b>BOTTOM PLINTH</b>	MFC 25mm thick covered with HPL in aluminium		
<b>RAIL</b>	Two options: Upper rail is fixed to the upper edge of the front panel or Lower rail is fixed to the bottom plinth. Manufactured from stainless steel with a diameter of 25mm. The rail should be ordered at the same time as the counter, as it is assembled in the production process.		
<b>ADDITIONAL INFORMATION</b>			
All modules are height adjustable over a range of 10mm			
The lighting at the front of the counter is a white strip light.			
The striped patterns in the tops of the corner counters are parallel to one of the sides. The corner counters can be oriented left or right – a drawing should be attached to the order.			
Counters H17, H18 and H19 have additional support on the inner part of the counter which is a round leg of diameter 60mm			
H23 – Top front is sand-blasted glass in horizontal lines, top solid sand-blasted glass of thickness 10mm			
H24 – Top is MDF 25mm thick covered with a PVC foil, colour stainless steel.			
H23 and H24 are designed for low counters with shallow desktop (H9 – H12; H18; H21).			
Frames of tops H23 and H24 are made of stainless steel of diameter 20mm
