## Softgrid™ by Innvik

HÅG Sideways uses the Softgrid™ material in four colours that have been specially designed for the 9730 and 9732 models. The colours of the textiles are inspired by Nordic nature and the grid pattern reflects the chair's back. The illusion of light passing through the back and casting a shadow on the seat creates a wonderful sense of wholeness.

The plastic backs of these chair models are available in the same four colours as the Softgrid™ material and provide visual completeness. HÅG Total Colour Standard materials are available for all HÅG Sideways models. (Have a look at the inside cover for colours). For further information please contact your HÅG dealer.

<b>Composition:</b>	Pure wool 92%, Polyester 8%
<b>Eco-label:</b>	EU flower
<b>Flammability:</b>	BS EN 1021 – 1&2:1994, ISO 8191 – 1 (cigarette & match), BS 7176:1995 Low Hazard
<b>Fastness to rubbing:</b>	Dry 4-5, Wet 3-5
<b>Weight (g/m):</b>	480
<b>Width (cm):</b>	150
<b>Abrasion (Martindale):</b>	108.000
<b>Light fastness:</b>	5-7 (scale 1-8)
<b>Maintenance:</b>	To be vacuumed with a furniture brush or use a clean white damp cloth or sponge (wrung out in lukewarm, distilled water).

## Guarantee:

HÅG offer a 10 year guarantee against material defect and manufacturing faults on all chairs upholstered in Softgrid and HTC Standard fabrics and leather. For more details on guarantee please see page 4.

## Plastic back:

For the backs of the HÅG Sideways (models 9730 and 9732) we offer 4 different colours; Black, Sand, Olive and Ochre.

## Environmental information:

All plastic backs for HÅG Sideways are recyclable, independent of colour. In addition, we strive to use recycled plastic for production of black plastic backs. Plastic backs are made from 100% polypropylene.
